Meadow Mountain Youth Center opened as forestry camp for boys in June, 1958 and reopened as Meadow Mountain Youth Center in October, 1984. The Center offers an intensive out-patient program providing youth with at least 9-12 hours of drug treatment weekly. Additionally, Meadow Mountain houses the Reflections Program which includes a high and low ropes challenge course, an aquatic challenge, and different outdoor activities. As of June 26, 2013, the Maryland State Department of Education assumed responsibility for the educational program and began providing academic and vocational services. Previously, DJS had provided the educational program including an aquaculture vocational program in which students earned a 60 hour certificate with competencies needed to become an Aquaculture Technician I. The school offers a 12-month schedule that includes six hours of daily instruction five days a week in English, mathematics, science, social studies, health and life skills, as well as individualized programs to prepare students for the GED exam. The Center implements CHALLENGE, a behavioral management program that establishes structure for an environment of respect and fairness conducive to treatment and rehabilitation. Youth also receive individual counseling/therapy, and psychiatric services if needed.
